If you do not have internet access, please ask your dealer for assistance.

*CD mechanism remains at One Year.

WARRANTY with exclusions

Products distributed by International Dynamics Australasia Pty Ltd ABN 38 005 016 606 are covered by the following warranties:

- 1) International Dynamics undertakes to repair, or at their option, to replace free of charge any defective parts in the product supplied herewith and/or rectify faults which in their opinion are due to defective workmanship within the warranty period.
- 2) Such repairs or parts replacement will be made without charge providing:
 - (a) That the customer's copy of the sales docket is presented as proof of the purchase date.
 - (b) That the unit was purchased from an authorised dealer appointed by International Dynamics.
 - (c) That there has been no attempt to repair the unit by an unauthorised agent.
 - (d) That the unit's serial number has not been altered or removed.
 - (e) That the unit is delivered to a facility authorised by International Dynamics in either its original package or a similar package affording an equal degree of protection. Postage, insurance and/or shipping charges are the responsibility of the purchaser.
- 3) This warranty extends only to defects occurring under normal domestic use of the product where operated in accordance with our instructions.
- 4) The warranty period for Advance Acoustic products is two (2) years [one (1) year on CD mechanism] commencing from the date of purchase, subject to Clause 5 and 6.
- 5) The warranty period for the following products or components is one year commencing from the date of purchase notwithstanding that any such component may attach, be part of or integrated with any product having a two year warranty period:
 - (a) Products or components used in situations other than domestic applications.

6) This warranty expressly excludes:

- (a) Accessories supplied with the product or purchased optionally for use with it.
- (b) Damage sustained to the output circuits of power amplifiers which have been externally short circuited.
- (c) External parts and features such as cabinets, printing, lettering, knobs etc.
- (d) Fair wear and tear (belts, pulleys etc).
- (e) Mileage or travelling time in respect of service, or pick-up or delivery costs incurred.
- (f) Service costs arising from failure to correctly adjust the controls of the unit or observe the instructions, or calls which reveal that the unit is in normal working order.
- (g) Any responsibility for inadequate aerial performance.

The benefits given to the purchaser by this warranty are in addition to all other rights and remedies, which under the Trade Practices Act or other Commonwealth or State law, the purchaser or owner has in respect to the product. In no circumstances shall International Dynamics be liable for consequential damages sustained in connection with the said unit and International Dynamics neither assumes nor authorises any representative or any other person to assume for it any obligation or liability other than such as is expressly set forth herein.
