

### Presentation

The Carat C57 is the-state-of-the-art CD/HDCD player in an outstanding case. The HDCD decoding offers more definition on low level signal. All electronic stages of the electronic board use the best available components (condensers, converters, line drivers...).

### Key features

High quality centered driver  
 Top of the art Burr Brown converters  
 Ultra low jitter  
 Stereo analog output  
 Digital output  
 Oversized toroidal supply transformer  
 Alphanumeric display  
 Remote control compatible with all Carat 57 components
